Products protected by valid patents are not offered for sale in countries where the sale of such products constitutes a patent infringement.
Buyers shall verify the patent status for their respective country.
Products currently covered by valid Patents are offered for R&D use in accordance with 35 USC 271(e)+A13(1) in the US, and EC Directive 2001/82/EC, 2001/83/EC, and their amendments in EU. Similar laws and rules may apply in other countries.
